

Nagios XI - Changing The System Time

Article Number: 152 | Rating: 1/5 from 1 votes | Last Updated: Thu, Feb 18, 2016 at 1:19 AM

Changing The System Time

Nagios XI needs to be configured with the correct timezone for all features to work. This can be performed via:

XI 5 onwards

- Admin > System Config > System Settings

Pre XI 5

- Admin > System Config > Manage System Config

A detailed document that explains all the settings performed can be found here:
