

Nagios XI - How to Generate SLA Reports

Article Number: 197 | Rating: Unrated | Last Updated: Thu, Feb 18, 2016 at 7:49 PM

How to Generate SLA Reports

This document is intended to give an overview of how to generate and interpret the SLA (Service-Level Agreement) reporting functionality within Nagios® XI™. This report is very useful if you have SLA's to maintain within your organization, especially if you have separate SLA's by hosts, hostgroups and servicegroups.
