

# Nagios XI - Host and Service Details Overview

Article Number: 200 | Rating: 1/5 from 1 votes | Last Updated: Thu, Feb 18, 2016 at 1:04 AM

## Host and Service Details Overview

This document explains how to utilize the different features of the Nagios® XI™ interface to view detail information about hosts and services. The Details menu offers many different ways to view the status of your hosts and services. In larger environments users may want to view status by host or service group, yet smaller environments may prefer to view status by device.
