

Nagios XI - Best Practices - NWC15

Article Number: 420 | Rating: Unrated | Last Updated: Thu, Nov 29, 2018 at 10:53 AM

Best Practices - NWC15

Best Practices? That's like asking how long is a piece of string! While every environment is different, there are however a number of configurations, tweaks and methods that can be of great benefit for your Nagios XI environment. This talk will cover a variety of Best Practice topics for Nagios XI ranging from flexible object configurations through to back end performance enhancements.
