

Nagios XI - Using DUO Two Factor Authentication

Article Number: 834 | Rating: Unrated | Last Updated: Tue, Jan 8, 2019 at 5:29 PM

Using DUO Two Factor Authentication

This document describes how to configure Nagios XI to use DUO for two factor authentication (2FA). Nagios XI already provides email 2FA however DUO can be used instead, this makes 2FA more accessible on more devices.
